Northbridge Opens Chesapeake Distribution Terminal, Adding 3.2 Million Tons of Annual Throughput

Operations · 2025-05-06

ISSUER	Northbridge Materials Corporation (NYSE: NBMC)
RELEASED	2025-05-06

CHESAPEAKE, Va. - 2025-05-06

The rail-and-barge terminal serves the Hampton Roads and Richmond markets and reduces truck miles per ton delivered by an estimated 22%.

Northbridge Materials Corporation (NYSE: NBMC) has commenced operations at its Chesapeake, Virginia distribution terminal, a $67 million investment with 3.2 million tons of annual throughput capacity.

The facility receives aggregates by unit train from the Company's Piedmont quarries and by barge from coastal sources, serving ready-mixed and asphalt customers across Hampton Roads and Richmond. Northbridge estimates the terminal reduces truck miles per ton delivered into those markets by 22%.

About Northbridge Materials

Northbridge Materials is a vertically integrated supplier of construction aggregates, portland cement and ready-mixed concrete, serving infrastructure, non-residential and residential customers across nineteen states.
